Truro Cycling Club (TCC) - Safety Statement

TCC's aim is to provide safe cycling activities. The Club's Safety Policy is based on guidance from cycling organisations including British Cycling and Cycling UK and can be viewed on the club website at <https://truro.cc/policies-forms/>. Club members are also encouraged to put forward suggestions that can be included in the Safety Policy with the overall aim of making the club's activities as safe as possible.

TCC's committee will be responsible for regularly reviewing the Safety Policy to include relevant changes in legislation, further guidance from cycling organisations and consultation with members

I have read and acknowledge the Safety Policy.
